Tilt N Tote Plus

Presenting *WheelChair Carrier's* redesigned Tote line of carriers. The Model 001 Tilt 'n' Tote Wheelchair Carrier tilts down for loading and tips up for storage, and is designed for a standard, folding wheelchair. Easy to use and no lifting required!

The Model 003 Tote is our basic non-folding carrier. Lifting is required. The Model 004 Tilt 'n' Tote Plus tilts down for loading and tips up for storage, but is designed for the folding power chair or pediatric chair or any chair that can fold up within a 15-1/2" width and has rear wheels of 8" up to 24" in diameter. Easy to use and no lifting required! All carriers are powder coated.
